Action by the Employees of State FPIUS Corporation of India

1508. SHRI S.S. AHLUWALIA : Will the Minister of AGRICULTURE be pleased to t ate :

(a) whether it is a fact that the employees of the State Farm Corporation of Indi i have been agitating for quite some time now :

(b) if so, the details of the salient points on which the employees have resorted to agita- icn path;

(c) whether this undertaking of Gove hid been running profitably out for the last two years it has been incurring losses; anil

(d) if so, the reasons thereof ?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI S. KRISHNA KUMAR) : (a) Yes Sir.

(b) The details of salient points on which the employees of State Farms Corporation of India (SFCI) Limited have resorted to agitational path w.e.f. 7-11-1994 are asunder :

(i) Implementation of agreement reached and signed by the Manageme the Union on 7th February, 1992.

(ii) Introduction of time bound Promotion Policy.

(iii) 100% promotion may be given employees who have completed 8 yens of service in the same post till introduction of promotion policy.

(iv) All vacant posts may be filled up by promotion through departmental candidates on seniority basis.

(v) Regularisation of daily-paid worki.ns.

(vi) Enhancement of medical ceilings due to high rise in prices of medicines and re-imbursement through salary.

(vii) Reimbursement of medical bills to the employees working under IDA pay scales according to the procedure of Central DA pattern.

(viii) The employees who are getting less salary under IDA pay scales may be considered to bring them at per with CDA employes?.

(ix) Introduction of 5th round jf wage negotiations with the Union for implementation w.e.f. 1-1-1992 in respect of the employees working under IDA scales as per the decision taker; by the Government of India.

(x) Till introduction of 5th round of wage policy, kindly consider interim relief of Rs. 100 per month to the employees working under IDA pay scales through agreement with the Union and signing of undertaking as per the previous procedure.

(xi) Introduction of pay scales of Rs. 1640-2900 to the employees working under the pay scales of Rs. 425-800 (pre-revised)

(xii) Tutroductionof Uniform, Uniform Allowance and Canteen Allowance/Subsidy.

fxiii) Request to provide full fledged Linion Office for union activities.

(xiv) Request for silver jublee celebration of State Farms Corporation of India.

(c) Financial performance of State Farms Corporai ior of India (SFCI) Limited since 1985-86 has been indicated at the enclosed.

Statement *(See* below) It has been observed that the Corporation had earned only a token profit in the year 1988-89, 1989-90, 1990-91 and 1991-92. Prior to that, the Corporation had been suffering losses in its working and the accumrlated loss of the Corporation was to the tune of Rs. 954.14 lakhs at the end of March, 19f>8. Inspite of profit earned during the period from 1988-89 to 1991-92, the Corporation hr d not paid any dividend to the Goveramei t of India on account of equity investment made by the Government from time to time.

(d) The following are the main reasons for loss incurrsd by the Corporation during the year 1992-93 and 1993-94 :

(i) Increse in the wage and salary of the employees as per recommendation of High Powered Pay Committee (H.P.C.G).

(ii) Increase in the price of fertilisers/ pesticides.

(iii) Disposal of 35,000 quintals of wheat and 16,000 quintals of paddy seeds as grain due to glut in the market.

(iv) Increase in interest liability on cash credit facility for working capital and mortality loss of plantation at Chengam due to failure of Monsoon.

(v) The agricultural operation of Bahraich Farm was badly affected due to Ayodhya incident in U.P. in Rabi, 1992-93.

(vi) Excessive damage to mustard crops by painted bug which come in the form of epidemic in Rajasthan and Haryana during October and Novem ber, 1992.

(vii) Late receipt of Monsoon in Haryana and Rajasthan affecting the sowing operations in the major Central State Farns located in these two States. Consequently, there was a reduction in the production of the Corporation by 1.40 lakh quintals in 1992-93 in comparison to 1991-92.

(viii) Heavy frost formation during the month of February, 1993 damaging gram and mustard crops at Farms located ir. Haryan and Rajasthan.

(ix) Closure of canal for a period of 22 days from 24th December, 1992 to [4th January, 1993 affecting the sowing of Rabi crops at JetsarFarm.

(x) Frequent changes in the rester system of canal in Rajasthan farms ledt o uncertainty in covering targetied area under wheat The erratic nature of discharge of watt"- into the canal adversely affected the wheat crop, as it did not receive enough water at the required stage. Grain was shrivelled, adversely affecting seed recovery percentages.

(xi) There was an abnormal flood in the month of July. 1993 at Suratgarh and Sardargarh which led to submergence of large area under crops at these farms. Entire area could not be brought under crops as envisaged. Due to torrential dowipour at Central State Farm, Hissar in July, 1993. the water stagnation was experienced over large areas which damaged Kharif crops extensively.

(xii) Cyclonic rains/storms at Central State Farm, Raichur and Chenaam caused damage to the crops.

(xiii) The working of Kokilabari Farm in itate of Assam was disturbed due to BODO agitation.

(xiv) Aralam Farm faced a prolonged strike for nearly four months which severely ted the farm perfo mtingmaterial died and harvesting of not be completed in time.

(xv) The investment required to create accessary infrastructure for assured irrigation and replacement of machinery could not be made, since the term loans applied for has not been sanctioned by the commercial banks under National Seeds Project Phase-Ill (N.S.P. ID).
